

# GOD'S WORD OF PROMISE

Recently my heart was so heavy and I was little bit down in my heart to see the panic-struck present situation everyone is going through. There are so many Christian people and especially ministers of God out there, that most of them all of a sudden appeared and trying to show from the Bible as to why and how this present situation we all go through. And some of them they give the solution as to how to survive during this time. That is indeed great thing.

Yes, the present situation is scary, and difficult to understand and difficult to find out proper human solution for it. I believe this is the first time the world is facing such a kind of pandemic.

I always like to talk to my God in prayer and try to hear Him speak to me through His Word whenever I face any problem or questions pertaining to life. And the beauty of our Lord is that He takes delight to hear us and speak to us at any time.

The first thing He brought into my remembrance is Psalms 34:19, "Many are the afflictions of the righteous: but the LORD delivereth him out of them all." The second verse came to my mind, "These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world" (John 16:33).

Such time as this God wants all of His Children to draw close to Him, throw themselves on Him totally! His Word of Promise is with us, in our hearts and that should come out of our mouths as confession. He promised us that He would never leave us nor forsakes us at any cost and at any time (Hebrews 13:5). His promise is with us (Matthew 16:18).

He is committed to do this to us because He loved us with an everlasting love (Jeremiah 31:3). His love towards us is unconditional love that is called Agape. And this Agape, divine, unconditional love **CARES AND SHARES**. Our good God only gives us! And He expects from you and me that we should walk in His love unconditional with others especially at this time and always. When we share with others we show that we love them and care for them and especially we love our God with our whole being! Loving God with all our beings and loving others as ourselves on these two commandments hand all the law and the prophets (Matthew 22:40).

I am grateful to the Lord that He brought my remembrance Isaiah 58:6-11, where He is talking about the keeping of the right fast. And I love how He shares and explains us that how we should walk in His love unconditional. And again He brings there the importance of sharing with others: "6. Is not the fast that I have chosen? To loose the bands of wickedness, to unto the heavy burdens, and to let the oppressed go free, and that ye break every yoke? 7. is it not to deal thy bread to the hungry, and that thou bring the poor that are cast out to thy house? When thou seest the naked, that thou cover him; and that thou hide not thyself from thine own flesh? 8. Then shall thy light break forth as the morning, and thine health shall spring forth speedily: and thy righteousness shall go before thee; the glory of the LORD shall be thy reward. 9Then shalt thou call, and the LORD shall answer; thou shalt cry, and he shall say, here I am, if thou take away from the midst of thee the yoke, the putting forth of the finger, and speaking vanity; 10.And if thou draw out thy soul to the hungry, and satisfy the afflicted soul; then shall thy light rise in obscurity, and thy darkness be as the noonday. 11. And the LORD shall guide thee continually, and satisfy thy soul in drought, and make fate thy bones: and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."

Yes, this is the high time where we could show that we love our God with all our beings by sharing and caring for others and hence showing that we love others as our selves!

**And here I must mention that you all beloved people of God of Renewed Life In Jesus` church, Chester indeed show your unconditional love towards others (us) by caring and sharing with us in this critical time such as this. And we all are so grateful to the Lord for you all and especially for Pastor Rick and sister Faith, and brother Tom and Caroline and others too! As you care and share with us we care and share with other needy people especially local pastors here and finding hard time. Our God is so good to all of us and we do believe that He is the Source of all resources! And it makes us so proud in the Lord to see your unconditional love towards us dearest Pastor Rick, Tom and all the members of the Renewed Life in Jesus` Church, Chester.**
