# Heart 2 Heart With God

## SPEND TIME WITH GOD

“And in the morning, rising up a great while before day, he went out, and departed into a solitary place, and there prayed” (Mark 1:35).

We are living in uncertain times. Probably we may be so much worried and depressed to see the havoc in every area of our life. This pandemic has pushed us all into anxiety which became great burden and we feel that we have been crushed under it. This anxiety for some made panic and running around for different solution and for others it caused them to freeze and do nothing. So much negative impact this pandemic has on human being. It seems there is no solution for this so-called pandemic. Everyone is restless, fearful. The burdensome, pressing need is great!

What Christians' response should be? How they should look at it? Before trying to find out answers for these questions and let us look at Jesus, when he was here on earth with his mission to complete.

There was no such a kind of virus spread there in his time but certainly there was great need. During that time also people were restless, and fearful. The Bible clearly says us, “How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all **that were oppressed of the devil**: for God was with him” (Acts 10:38). During Jesus' days people were under the great oppression of the devil of various kinds. Yes, they also were living in uncertain times and were trying to find the solution.

At the same time Jesus was facing burdensome pressing need around him. “32. And even, when the sun set, they brought unto him (Jesus) all that were diseased, and them that were possessed with devils. 33. And all the city was gathered together at the door” (Mark 1:32-33).

The need was great, people were panicked, restless, fearful, possessed with demons, struck with different kinds of diseases, lame, blind etc. Even late in the evening people were getting to him to get healed or hear him teaching to them the Word of God.

It is interesting to know the response of Jesus in the midst of such a drastic situation. He was calm, and focused on the fulfilling the purpose his Father entrusted to him. He was not overwhelmed at all to see the great need, neither he shut the door against them. But he continued to do his work.

The drastic situation would strain his strength, pushing him into the exhausted condition. And he was in need for a fresh strength and energy to be with people next day. He knew the Source to get energy and strength to carry on the next day with refreshing strength. He used to spend time with his Father-God. And that exactly we as a Christian must do, instead of becoming restless, fearful and panic we must spend time with our Savior Who is the Source of all resources, our strength and energy,

So, let us focus our mind on Jesus and His Word and spend time with him to get refreshed and to receive new strength to carry on with His work. May our good Lord continue to bless you and your families! Prema and I love you so dearly and pray for you daily! Write us for we love to hear from you!
