WORD WITH SHARAD AND PREMA SPIRITUAL IMPORTANCE

“46. And they, continued daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart. 47. Praising God, and having favor with all the people. And the Lord added to the church daily such as should be saved (Acts 2:46-47).

Hallelujah! What a wonderful portion of the Scripture! In the second chapter of Acts after disciples received the Holy Spirit baptism they started speaking in different tongues and people who came to worship Jehovah heard Good News in their own languages as disciples spoke in different languages. Peter stood and explained them giving a sermon and that day nearly 3000 people were saved and were baptized.

Praise and worship is the lifestyle of a true Christian who has been transformed by the Holy Spirit. Only Christians who know God as Savior and Lord can praise Him in truth and joy. This lifestyle of praise worship flows from the great salvation that God has granted in His Son, Christ Jesus! It is by grace and grace alone that Christians have been regenerated and adopted into God's family as children and heirs with Christ. It is the great and glorious truth for which God is praised. He is to be praised for His grace and mercy that He has granted.

We can see here the church at Acts 2:46-47 was having lifestyle of praise and worship in the ministries and in their lives too. I believe 21st century church should realize the greatness of God and His Son, and it should drive them praise God of all His great works of mercy! The secret of to be bold in Christian witness and preaching of gospel is by seeking the glory of God in truth!

Acts chapter 2:46-47 in these two verses we learn that all the believers were observing four things in their lives, I mean four Spiritual laws: **1). They continued in Apostles' teaching. 2). Fellowship** (also helping others in need Acts 2:44-4). **3). Breaking of bread. 4). Prayer.** What is the result of observing these four things? People start believing as we share the gospel with them. This is the key of growth of the disciples. And where there is no growth that congregation must follow these spiritual laws. These four spiritual laws help to sustain our faith when Christians are persecuted.

When by observing these four laws we do our part the people whom we tell the gospel are touched, and God does His part, that people are saved. And the Lord adds them to other believers. People get saved when God's people observe these laws and thus God bring the harvest of soul. The time is high that we should check our heart in the light of the Word of God that are we really devoted totally to observe these spiritual laws and understand their importance? **Studying the Word of God, having genuine fellowship, sharing with each other and diligently thanking the Lord and praying is the key!**
